Campsite GPS Location

GPS units use different methods for entering the geographic location.
Below are the three most used types of number systems.

	Latitude (North)	Longitude (East)
Degrees / Minutes / Seconds	43° 04' 01"	25° 45' 11"
GPS Coordinate (Degrees / Minutes)	43° 04.017'	25° 45.183'
Decimal Degrees	43.066944°	25.753056°

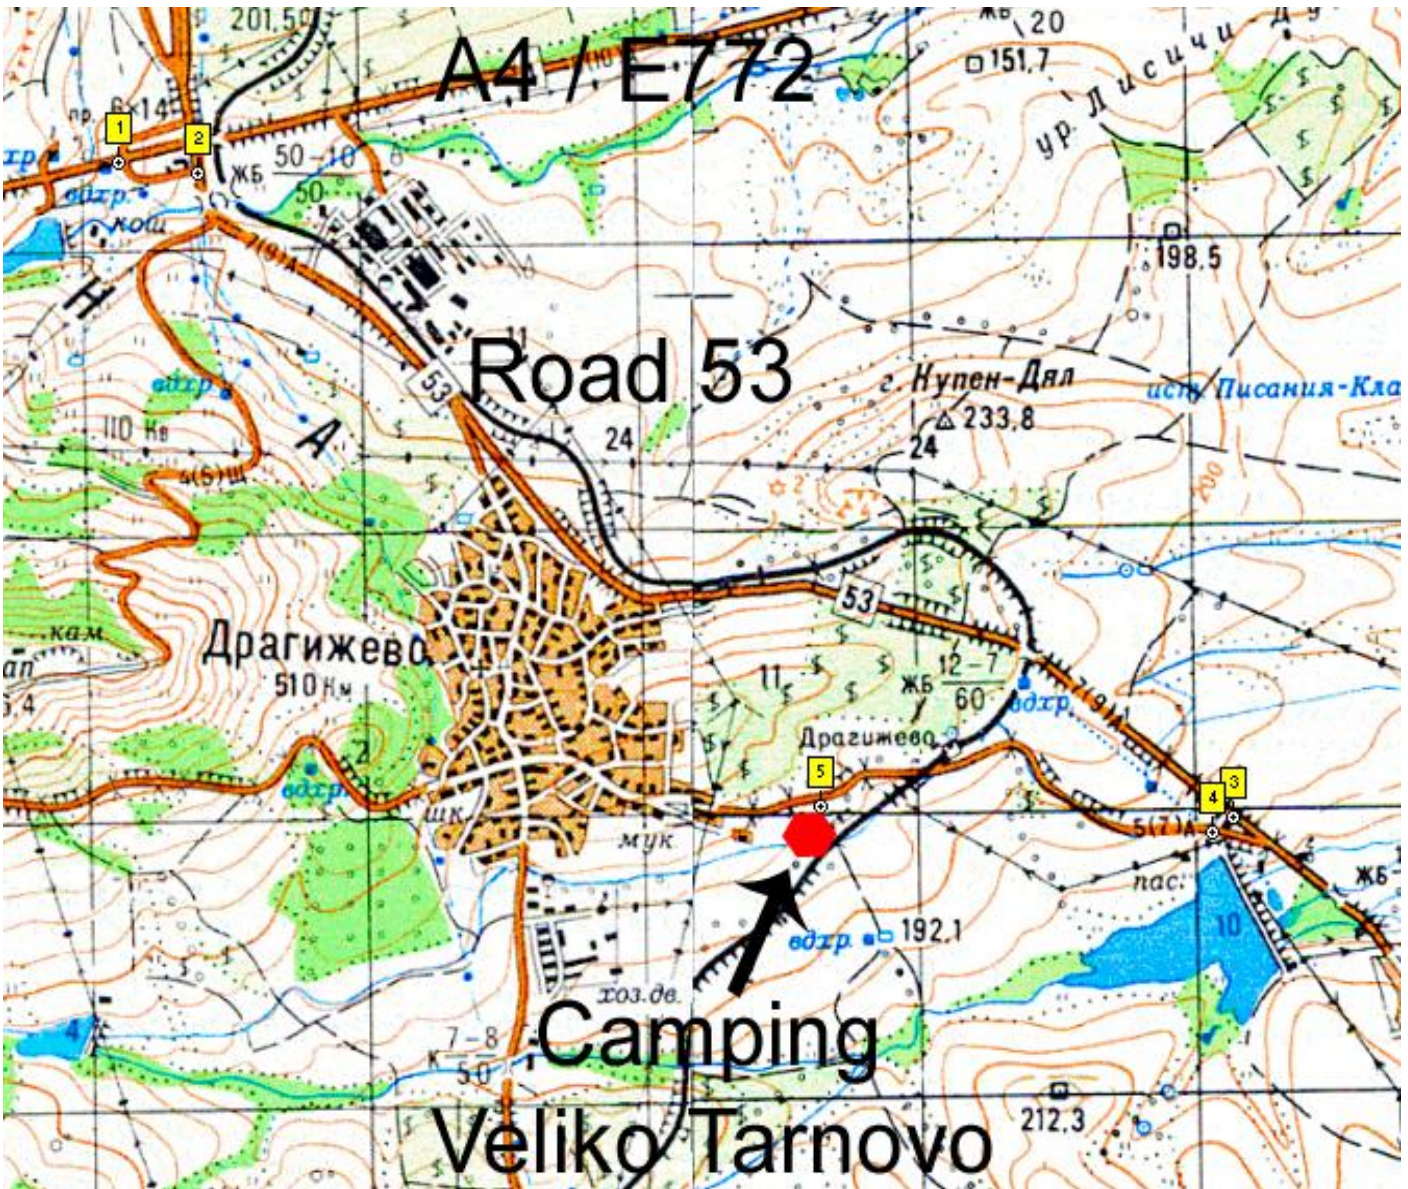

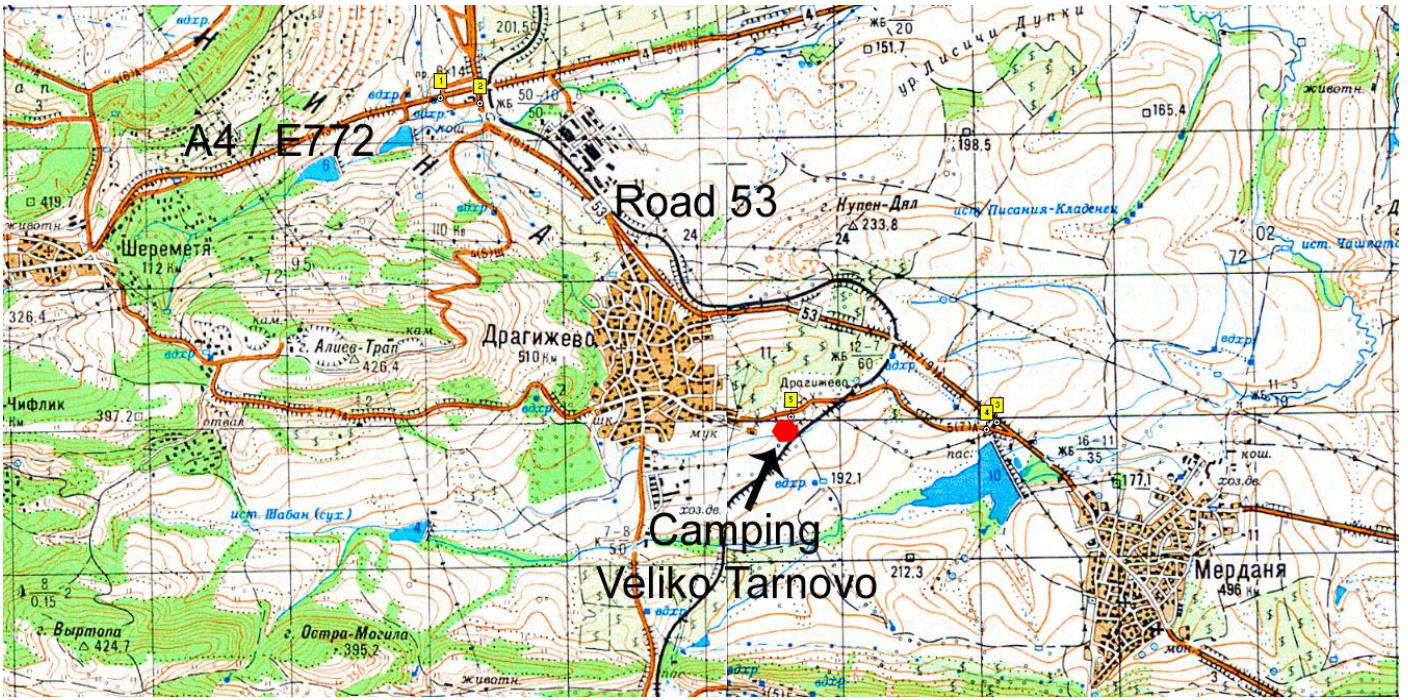

What3words

If you were familiar with the what3words app for finding locations across the globe, then you can find us with our what3words location of:

somewhere.easily.lounges

Which we think is a quite appropriate address for a quality and tranquil campsite in nature. If you are not familiar with what3words then click here to find us.

Directions

These directions follow the best quality roads – not the fastest or shortest route.

If your GPS unit tells you to turn right at the village of Sheremetya – ignore your GPS!

Stay on the A4/E772 until you reach Road No. 53.

The road from Sheremetya to Dragizhevo is very bad quality!

- Drive along the A4 / E772 until it crosses Road No.53.
- **Turn Right** onto exit road right signposted Elena, Road No. 53.
- **Turn Right** at end of the exit road.
- Drive southeast on Road No. 53 for 2 Km.
- **Turn Right** onto minor road signposted Dragizhevo (Драгижево).
- Drive to the top of the village.
- Turn left after the house with the swallow birds painted on the wall.
- Drive for 2km and look out for the camping sign.
- The campsite is on your right.
